FORMAL WELCOME

Dear colleague in the Art,

By introduction, the Ghana Dance Association is a functionary body of the National Commission on culture.

Apart from it's objective of seeking the well being and welfare of Ghanaian traditional Artistes and performing groups, it is also rest with seeing to the propagation preservation and promotion of the Ghanaian traditional music and dance.

We have had some discussions with Mr. Samuel Nkrumah Yeboah, founder, Nkabom Artist and Craft People Association and a member of the Ghana Dance Association (GDA) who disclosed to us your impending visit to Ghana in July to participate in a service of programmes including workshops performance for public education on HIV/ AIDS, Environment Cleanliness and put up a concert in collaboration with the GDA. Be informed that the above project have been a long time objective of the GDA and wish to state that we have successfully organized it before with Nkabom. The GDA therefore wish to state further that your visit is most welcome and we are looking forward to receive you on your date of arrival in the spirit of oneness to work together for success and to make your stay a rememberable one.

With regards

J. O. ADCOTEY
