**Dear Friends**

**I send my warm greetings and good wishes as you prepare to travel to Ghana and South Africa. This is a wonderful opportunity for you to share your talents with young people from other cultures.**

**I hope you have a wonderful experience. Wherever we come from we are all members of one family, God's family and we share the same hopes, joys and fears. The love of dance and music is universal. May you spread the message of joy and hope through music and dance.**

**God bless you**
